

**Have you ever
imagined being
behind the
controls of a real
electric trolley?**

“Run a Trolley”

At the Rockhill Trolley Museum you have the opportunity to operate a real electric trolley car!

- Learn the basic operation of an electric trolley car from a museum instructor. After that, you will take the controls and operate the trolley for one round trip to Blacklog Narrows.
- Your immediate family can join you on board the trolley to see you become a real trolley operator!
- Makes a unique gift for mom, dad or any friend or family member.
- Only \$75.00 per person includes a one-year membership in the museum and trolleys rides. Participants must be a minimum of 18 years of age and a licensed driver.
- Advance reservations required.
