Lifetime/Sustaining/Associate Dues: \$ \_\_\_\_\_

Total Family Dues: \$ \_\_\_\_\_

Total Dues: \$ \_\_\_\_\_

\*How would you like to receive the museum's newsletter, "The Retriever"?  Email  US Mail

\*Would you like to receive email updates on restoration projects, museum activities, and special events (approximately 2 per month)?  Yes  No

**Volunteer Opportunities.** Without volunteers our museum would not exist as we are an all-volunteer lead and ran museum. We have volunteer opportunities available in many areas. The time commitment is up to each volunteer and is flexible. If you would like more information or are interested in volunteering, please check the areas of interest, and our volunteers will get back to you! \*\*Pennsylvania law requires active onsite volunteers to submit volunteer clearances.

**Trolley Operations** – This department is responsible for training operators/conductors, selling tickets, scheduling trolleys, and operating the trolley cars. Training sessions are held in the Spring and throughout the rest of the year as needed. If you enjoy talking with people, you might enjoy being a volunteer motorman or conductor to help tell the story of the trolley car and the Rockhill Trolley Museum.

**Museum Store** - This department is responsible for selling books, postcards, and other souvenirs. These volunteers are responsible for staffing the store when the trolleys are operating.

**Track & Overhead** - This department is responsible for track construction and maintenance along with the construction and maintenance of the 600-volt overhead wire system the trolley uses to operate. The design, construction, and maintenance of buildings on the property is also the responsibility of this department.

**Maintenance** – This department is responsible for the ongoing maintenance of the trolley cars. We have a well-equipped shop to make maintenance jobs easier. With a fleet of operable trolleys, gas cars and motor vehicles there is plenty to keep in good operating condition. If you enjoy working with "nuts and bolts" this department might be for you.

**Restoration** – This department is responsible for restoring the trolley cars to as original condition as possible. With 21 different trolleys in the collection there is plenty to do within this department and if you enjoy working with wood, steel, electrical wiring, air piping and painting this might be the department for you.

**Building, Electrical & Groundskeeping** – This department is responsible for maintaining the museum grounds and buildings. Keeping the grass cut, trimming weeds and landscaping are a few of the projects these volunteers work on.

**Member Services** – This department is responsible for the Member's Building, which has restrooms, showers and a small meeting room and a caboose remodeled into a bunkhouse with eight bunks. These buildings need constant restocking with supplies and regular cleaning. Occasionally, these volunteers will prepare meals for the other volunteers, who purchase the meals, to help offset the supplies of the operation of these buildings.

**Advertising:** This committee is responsible for the museum's advertising. This committee works with various tourist organizations, newspapers, radio and TV media. Volunteers create and review various advertising content. Volunteers also reach out to local businesses to post flyers on museum activities.

**Museum Donation:** Membership dues only go so far in helping the museum to keep operating and I would like to make an additional contribution to the following (enter amount next to fund):

\_\_\_\_ General Fund      \_\_\_\_ Track & Wire Fund      \_\_\_\_ Open Car 1875      \_\_\_\_ York 163  
\_\_\_\_ Johnston Cars      \_\_\_\_ PCC Cars      \_\_\_\_ Valley #12      \_\_\_\_ CA&E 315

**I acknowledge membership is contingent upon confirmation of membership eligibility.** I agree to abide by the duly enacted Rules and Regulations of Railways to Yesterday Inc. while involved in all of the organization's activities. I will not use the name of the organization in any way that will obligate the organization or any of its members without due authorization.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

Mail completed form and check (payable to Railways to Yesterday) to:
